

TEAM UP WITH ENERGY

Team Up with the Iowa Energy Basketball team to promote your organization at a game in front of 5,000+ fans! We work with schools, non-profits, churches or any organization that is looking for a fun way to promote their team and/or raise funds.

Fundraiser: Pick a price above the discounted rate to raise money for each ticket your group sells. Group tickets start at \$10. Reserve a block of tickets to sell on your own, sell online through a site we set up for you or set up as a call-in to the Energy office with a promo code.

50/50 Raffle: Pick a night to have members of your organization interact with crowd and have a table set up to run a 50/50 Raffle during the game. You have from the time doors open until the 3rd Quarter to raise funds. We announce winners at the end of the 3rd Quarter.

Game Break: Use a game break to do a fan address, recognize a member/achievement or use the break to throw items out to fans like your organization's T-Shirts. Timeouts are 1 minute and 30 seconds. Game breaks are limited per game and must be reserved in advance with at least 50 people attending.

Concourse Table: Pick a night to promote your organization on the concourse. Set up games or give items out to fans to talk more with them about your organization. Sign up new members or use the table to promote an event coming up.
